HORIZON education grant

The Horizon Education Grant is an enhanced teaching and learning grant opportunity , developed to broaden students' educational journey from Pre-K through college.

- Collaboration between educators, parents, students, schools, across counties, between elementary-middle, middle-high, high-college
- Youth Review Committee
- $500 per teacher; $2,000 per team per year
- 3 cycles in 2017

At the J. Marion Sims Foundation, we believe an educated community is a healthy community. The classroom is a catalyst for impactful, positive change within the communities of Chester and Lancaster counties.
