The University completed a comprehensive rating review with both Moody's Investors Service and with Fitch Ratings as a part of the refundings and issuance. Moody's and Fitch rated the 2022A bonds at Aa2 and AA respectively and they affirmed Aa2 and AA ratings, respectively for the University's outstanding bonds for Higher Education Revenue Bonds and Special Higher Education Revenue Bonds. Moody's rated the 2022A Athletic Facilities Bonds at Aa3 and they affirmed Aa3 on outstanding athletic bonds.

The University analyzes and reviews the debt portfolio, financial markets, and interest rates for refunding opportunities in coordination with its external financial partners including the State Treasurer's Office, University financial advisor and financial underwriter. This comprehensive annual review of the University's current bond portfolio includes looking at current and future debt service and future bond maturities and looking for opportunities for refunding for all bond types. This review of the University's portfolio helps identify and maximize future opportunities for savings.

As the University continues to assess future facility needs, we will continue to work with the financial community to ensure that the University utilizes financial resources in the most efficient manner possible.

Sincerely,

Mandy M. Kibler
Associate Vice President for Administration & Finance and University Controller

Bond Indebtedness Discussion and Analysis

Outstanding Bonds by Campus Based on Bonds Outstanding as of June 30, 2022

For the current outstanding debt, we have retired principal of over \$310.8 million or approximately 32.0 percent through June 30, 2022, from the original issuances of \$965.3 million.

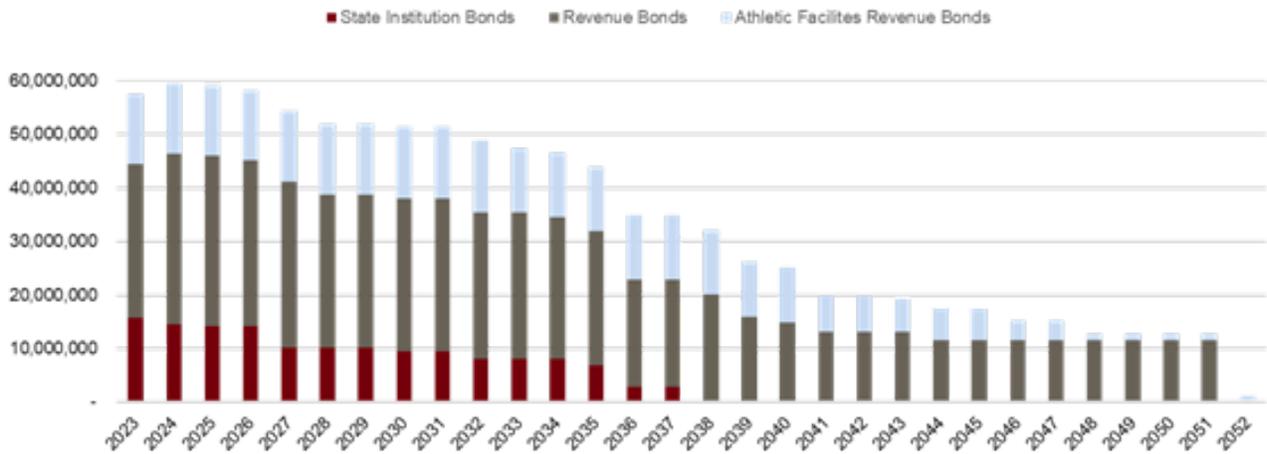

UNIVERSITY DEBT SERVICE

Annual debt service payments for each of the three credits are payable from revenues specifically collected for each bond type. State Institution Bonds are payable from capital fees from tuition revenue. Higher Education Revenue Bonds are payable from pledged revenue generated from the operation of facilities constructed with the bond proceeds, or in the case of Athletic Facilities Revenue Bonds with pledged athletic fees and other revenue.

In fiscal year 2022, the University made debt service payments of over \$54.7 million which covered interest of \$28.3 million and principal payments of \$26.4 million.

The future debt service on outstanding bonds shows a conservative front-loaded debt structure. Over the next five years, \$74.8 million (20.2%) of principal amortizes on Higher Education Revenue Bonds, \$28.6 million (16.9%) for Athletic Facilities Revenue Bonds and \$49.9 million (43.3%) for State Institution Bonds.

Note) This schedule represents an allocation of existing debt attributable to the projects funded by each debt series. Allocations were made based on the relative share of the original issuance provided to fund the respective projects. While the debt is not legally tied to the respective projects, this schedule provides a perspective on University facilities funded with debt.

STATE INSTITUTION BONDS

State Institution Bonds, frequently called Tuition Bonds, are issued by the University of South Carolina pursuant to Article X of the South Carolina Constitution, Title 59, Chapter 107 of the Code of Laws of South Carolina 1976, and as amended by Act 249 of 1977, Act 107 of 1979, Act 120 of 1991, and Act 40 of 1999. The purpose of these bonds is to provide funds to pay costs of certain improvements at several campuses of the University of South Carolina. Annual debt service of these bonds is secured by a pledge of the student tuition fees imposed by the University.

REVENUE BONDS

HOUSING, PARKING, BOOKSTORE and ACADEMIC

Revenue Bonds are issued by the University of South Carolina pursuant to Article X of the South Carolina Constitution, Title 59, Chapter 147 of the Code of Laws of South Carolina 1976, and as amended by Act No. 2 of 2009. The purpose of these bonds is to finance or refinance, in whole or in part, the cost of acquisition, construction, reconstruction, renovation and improvement of land, buildings, and other real property or equipment. The intent of such actions must be for the purpose of providing facilities serving the needs of the university including, but not limited to:

- (1) dormitories, apartment buildings, dwelling houses, bookstores and other university operated stores, laundries, dining halls, cafeterias, parking facilities, student recreational, entertainment and fitness related facilities, inns, conference and other non-degree educational facilities and similar auxiliary facilities of the university and any other facilities which are auxiliary to any of the foregoing excluding, however, athletic department projects which primarily serve varsity athletic teams of the university; and
- (2) those academic facilities as may be authorized by joint resolution of the General Assembly.

Annual debt service on Revenue Bonds is secured by a pledge of the net revenues from student and faculty housing, parking facilities and all available funds and academic fees of the university which are not (i) otherwise designated or restricted, (ii) funds of the university derived from appropriations received from the General Assembly, and (iii) tuition funds pledged to the repayment of State Institution Bonds.
