Business Manager

The role of each Business Manager at the University of South Carolina varies across each college and department. Each Business Manager handles several responsibilities that directly influence the success of their departments and the University overall. They provide business expertise on a variety of topics including, but not limited to budget, expenses, supplier onboarding, transaction corrections, and University policies and procedures.

Below is a list of tasks a Business Manager may be responsible for within their college/department. Sections include links to training resources that support each task.

Note: Each year the Controller's Office provides refresher trainings starting the month of February thru the end of April. Registration links for all scheduled trainings are sent to our BIZMANAGER listserv end of January, provided in our monthly newsletter, and in a prior week reminder email. On demand training can be found in the sections below.
