

Poster Presentation and Conference Funding Application

USCL Research Club

The University of South Carolina Lancaster Research Club encourages students to participate in and present their research at conferences. The Research Club is excited to have the ability to provide USCL students funding for poster presentation printing and conference fees. However, there is a conference fee request maximum of \$75.

In order for students to apply for funding they must be an active Research Club member. An active member is defined by coming to a minimum of two events a semester. If a student attends an event, please be sure to sign the attendance sheet.

Please fill out the below portion and return to Dr. Elizabeth Easley (easleyea@mailbox.sc.edu):
