REPORTS OF COMMITTEES

USC System Committees

Palmetto College Faculty Senate

Executive Committee—Jenkins. Proposed revision of Academic Advisory committee and creation of new committee. More administrative presence.

Penuel: Why?

Jenkins: Committee had been meeting infrequently. Chair (academic dean) had high workload. Wanted Steve Lowe directly involved. More input being solicited.

Rights and Responsibilities—P. Lawrence. Considering administrative duties in promotion cases. Redefinition of teaching loads different loads on different campuses. Couldn't move forward; thorny.

Need your input. R and R has been working on streamlining transfer of tenure. Resistance to Palmetto College-wide standardization.

Our attempt is to restrict it to circumstances in which it's needed. In order to put into *Manual*, we need all local FO's to approve it.

Cai: Document will only need approval from local FO's, not senate. Any change will also have to be approved by all five FO's.

System Affairs—D. Lawrence. Working on PC website with academic advising resources; will consolidate them. Degree plan worksheets for 14 PC programs that most of us haven't seen. AS and AA degree worksheets geared toward specific USC four-year degrees, and sections specific to each campus. Mockup maybe available in April.

Welfare—Taylor-Driggers. Voted on all awards; will be announced April. You've gotten email survey link. Please fill out. Deadline March 31. Note different mode of access with Outlook.

Columbia Faculty Senate—Hammond for Alhaddad [report page 40: each PC campus told us process of verifying absences would be coordinated. Believe motion has passed; we may want to look into how we handle absences.

Local committees

Executive Committee—Hammond. Several small things. Bylaws changes require 2/3 approvals. Three motions related to service.

Native American Studies Advisory Committee—Criswell. When NAS started, we had no center. Initial committee members mostly became NAS faculty. We'd like committee to reflect larger campus more, avoid insularity.

D. Roberts: Will new members vote?

Criswell and Taylor-Driggers: Nonvoting.

Yingst: Document says members can be added. By whom?

Criswell: Approved by Director—me.

Yingst: In addition to administrative appointments—good.

**PCC Faculty Senate Rights and Responsibilities Committee Appendix Motion:
Transfer of Tenure** (pp. 4-5 below)

2.14.2020

Proposed Revisions to the *Palmetto College Campuses Faculty Manual*

Palmetto College Campuses Faculty Senate

University of South Carolina

Brief Title of Proposed Change	Inclusion of New Subsection Referring to the Appendix Page for Transfer of Tenure and Rank for Palmetto Colleges Faculty
Committee Proposing Revision	Rights and Responsibilities
Date of Presentation to Senate	Feb 14, 2020
Senate Approval Date	

Rationale for Proposed Revisions

- To direct readers to the appendix section describing transfer of tenure and rank within Palmetto College Campuses.

Summary of Proposed Revisions

- Adding a new subsection to the PCC Manual directing the reader to the appendix section describing transfer of tenure and rank within Palmetto College Campuses.

Section and page numbers of the current *Manual* for proposed revisions

Current	Proposed
None	<p>Page 32</p> <p>Transfer of Tenure and Rank for Palmetto College Faculty</p> <p>An agreement for transfer of tenure and rank for Palmetto College Faculty, approved by all Palmetto College Faculty Organizations, can be found on appendix page XXX.</p>

Transfer of Tenure and Rank for Palmetto College Faculty

The process described below has been approved by the Faculty Organizations of the Palmetto College Campuses.

Changes to this process require the approval of the Faculty Organizations of all of the Palmetto College Campuses.

Transfer of tenure and rank for Palmetto College Faculty may occur when:

- Faculty FTE request has been approved by the Chancellor's Office the Palmetto College Regional Campus Dean is authorized to advertise the faculty FTE in print and online venues.
- Faculty position is posted in compliance with university academic, HR and EOP policies, procedures and diversity guidelines.
- Proper search has been conducted.
- Recruitment and selection of candidate has been completed, approved and the Palmetto College faculty member has signed the offer of employment letter.
- Faculty member's tenure would automatically transfer to the new Palmetto College campus.
- Transfer of tenure only applies to Palmetto College faculty that were granted tenure and/or promotion through the Palmetto College Campuses tenure and promotion process.
- Tenure only resides at the campus to which it was transferred once the faculty member begins employment at another campus. Once the faculty member begins employment at another campus, it would not be feasible for them to be able to decide to return to their original campus of their own free will. They would have to in effect be "re-hired" (in the same way as outlined above) by the original campus.

**The language in this procedure has already been approved by Legal and Human Resources.

Yingst: Concerns: we passed motion with similar approval structure. It went badly and we've never been able to change it. This is a policy that we might not ever be able to change. Unclear who benefits from change. Gives up governance to benefit administrators. We could be given a dean we don't like. Current system would be the only way we could deal with that. We've seen admins on other campus who should have been fired. Initial version was better. This might be good in a shutdown, but other benefits less clear.

Hammond. Motion substantive. Will vote at next meeting.

Cai: When we're hiring academic dean, hiring governed by search committee. Who governed tenure?

Yingst: Will have to apply for tenure.

D. Lawrence: Search committee doesn't control who gets hired. Just recommends.

Cai: We haven't heard about academic dean's tenure?

D. Lawrence: not with search committee.

Penuel: Agree with Andy.

Yingst: A good argument: Li was required to accept without getting tenure. Better if we'd done it the other way around. Can we do that without this motion?

Mobley Chavous. Not in that order.

P. Lawrence. Document an effort to constrain charge. Welcome hearing more about this; next faculty meeting will happen before next senate meeting.

Faculty Organization Executive Committee Bylaws Motion 1: Scholarships and Special Awards Committee, Membership Clarification

Proposed Revisions to the USCL Bylaws

USCL Faculty Organization

Brief Title of Proposed Change	Change to membership of Scholarships and Special Awards Committee
Committee Proposing Revision	Executive Committee
Date of Presentation to Faculty Organization	3/6/2020

Rationale for Proposed Revisions

- The current committee membership includes a student representative; however, FERPA prohibits the student representative’s access to scholarship applicants’ personal information. The elimination of the student representative reflects the current practice of the committee. Student representatives would still be eligible to be appointed to participate in committee interviews.

Section and page numbers of the current Bylaws for proposed revisions

Current	Proposed
<p>SCHOLARSHIPS AND SPECIAL AWARDS COMMITTEE</p> <p><u>Membership:</u> Two representatives per division, Academic Dean, administrative appointments, and one student representative (usually the SGA president).</p> <p><u>Purpose:</u> <i>The Scholarships and Special Awards Committee selects scholarship recipients on the basis of criteria established by members of the committee. Faculty Organization Executive Committee Bylaws Motion 2: Pro Tempore Chair Appointment Procedure

Proposed Revisions to the USCL Bylaws

USCL Faculty Organization

Brief Title of Proposed Change	Addition of third in command to officers
Committee Proposing Revision	Executive Committee
Date of Presentation to Faculty Organization	3/6/2020

Rationale for Proposed Revisions

- The intent for this change is to have an official contingency plan in the event that neither the chair nor the vice chair is able to preside over a meeting of the faculty organization.

Section and page numbers of the current Bylaws for proposed revisions

Current	Proposed
<p>Article III Section 3. The Chairperson of the faculty organization presides at all regular and special meetings of the faculty. If the Chairperson becomes unable to serve, the Vice Chairperson shall assume the position pro-tempore. The Chairperson may appoint ad hoc committees as necessary. Hammond: last year, a couple of us on EC out—that’s why this motion. Requires no second, but substantive, so 2/3 approval.

Faculty Organization Executive Committee Bylaws Motion 3: Palmetto College Campuses Faculty Senate, Alternate Term of Service Clarification

Proposed Revisions to the USCL Bylaws

USCL Faculty Organization

Brief Title of Proposed Change	Addition of term limit explanation to PCC Faculty Senate description
Committee Proposing Revision	Executive Committee
Date of Presentation to Faculty Organization	3/6/2020

Rationale for Proposed Revisions

- Faculty elected as senators on Palmetto College Campuses Faculty Senate serve three-year terms (barring special circumstances). Senate alternates serve only one-year terms. Adding this language to the bylaws will eliminate confusion about term limits in the future.

Section and page numbers of the current Bylaws for proposed revisions

Current	Proposed
<p>PALMETTO COLLEGE CAMPUSES FACULTY SENATE</p> <p><u>USCL Membership:</u> Elected by faculty for a term of three years, or until a successor is elected. The most current version of the <i>Palmetto College Campuses Faculty Manual</i> describes specific requirements for membership.</p> <p><u>Purpose:</u> <i>The Palmetto College Campuses Faculty Senate has authority to establish minimum educational standards for the Palmetto College Campuses, to include review and approval of any changes to the curriculum requirements for the common degrees awarded by the USC Palmetto College Campuses; it also has authority in matters pertaining to the conduct of faculty affairs, except where that authority has been specifically reserved for the Palmetto College Campus Faculties. These policies will be generally consistent with the educational policies and standards of the University and will differ only in meeting specific requirements of the Palmetto College Campuses.</i></p> <p>(page 13)</p>	<p>PALMETTO COLLEGE CAMPUSES FACULTY SENATE</p> <p><u>USCL Membership:</u> Elected by faculty for a term of three years, or until a successor is elected. Native American Studies Advisory Committee Motion: NASC Committee Membership

Proposed Revisions to the USCL Bylaws

USCL Faculty Organization

Brief Title of Proposed Change	Change description of NASC committee
Committee Proposing Revision	NAS Advisory Committee
Date of Presentation to Faculty Organization	3/6/2020

Rationale for Proposed Revisions

- The intent for this change is to make the NASC committee open to more faculty. During a recent survey there were questions about how inclusive/exclusive NAS on campus was--proposing this change is a step toward addressing this concern/perception. Currently, most advisory committee faculty positions are held by NASC-affiliated faculty. The change in description will open those elected positions up to non-NASC-affiliated faculty, due to the additional allowed appointments.

Section and page numbers of the current Bylaws for proposed revisions

Current	Proposed
<p>NATIVE AMERICAN STUDIES ADVISORY COMMITTEE</p> <p><u>Membership:</u> One representative per division, the Native American Studies Director and up to three of his or her appointments, and up to two administrative appointment(s).</p> <p><u>Purpose:</u> <i>Native American Studies Advisory Committee advises the Native American Studies Director.</i></p> <p>(page 13)</p>	<p>NATIVE AMERICAN STUDIES ADVISORY COMMITTEE</p> <p><u>Membership:</u> One representative per division, the Native American Studies Director and up to three of his or her appointments, and up to two administrative appointment(s). <i>With the approval of the Director, faculty teaching within the NAS cognate, and/or holding positions within the NAS Center can be added as ex-officio (non-voting advisory) members of the committee.</i></p> <p><u>Purpose:</u> <i>Native American Studies Advisory Committee advises the Native American Studies Director.</i></p>

Hammond: Above two motions substantive; require 2/3 majority vote next time.

Castiglia: Rationale for limiting faculty to NAS faculty?

Taylor-Driggers: This is supposed to open the committee up.

Castiglia: But says NAS faculty can be added as members.

Criswell: Other ways to be on committee too.

Hammond: Question answered?

Castiglia: yes.

USC Lancaster in our Communities

The Native American Studies Center will host the **15th annual Native American Studies Week March 20-26 with the theme of Native American Humor, Satire, and Parody**. Follow this [link](#) for more details.

USC Lancaster’s **Town Gown Advisory Council** met on February 13. Discussions centered around art in downtown areas and downtown revitalization. The next meeting will be an April visit to ArtFields in Lake City, SC.

USC Lancaster will be proposing a project to the Lancaster County Capital Project Sales Tax Committee through an application due March 23. Our proposal will be for funding to help construct a **pedestrian bridge over the Highway 9 Bypass** to safely connect our campus and the community.

The date for **Laps for Lancers 2020** has been set for Saturday, March 21 at 8:00 am at Carole Ray Dowling. Please join in the fun by running or walking in the 5K or 10K. A pancake breakfast will also be served for a nominal fee.

Facilities and Finances

Expenditure of last fiscal year’s deferred maintenance funding continues. Project updates:

- Physics lab renovation (complete and in use)
- Hubbard Hall roof (complete)
- Replacement of solarium window system in the Gregory natatorium (bid opening was Tuesday, February 11; project will begin in late March/April)

- Parking lot paving from Starr Hall around the east side of Hubbard (Spring/Summer 2020)
- Gregory roof replacement (Summer/Fall 2020)

If you notice facilities issues that need to be addressed, please report them to Butch Lucas or to me.

The **campus budget** is stable despite fluctuations in tuition revenue this year based on student types (new freshmen, transfer, dual credit, etc.). Again, we anticipate adding some to our carry forward by the end of the fiscal year. Thank you for your assistance helping us stay on budget in the last third of the fiscal year. The **Dean's Budget Advisory Group** will meet again in April.

Legislative Update: We have received notification of funding for fiscal year 2021 as it stands in the House budget. While this is a very preliminary look at what next year's allocation might be as the Senate is just beginning its work, USC Lancaster would receive \$999, 746 in recurring allocation toward general operating and \$3, 500, 000 for "maintenance, renovation, and replacement." There would be no tuition increase for students again next year. The USC system presentation to the Senate Finance Committee is set for 10:30 am on Tuesday, March 10.

Other items...

- **Dr. Deborah Cureton** has agreed to deliver the Commencement address this year. Commencement is scheduled for May 2, 2020 at 2:30 pm. More details forthcoming.
- Palmetto College is currently planning an expansion of **Palmetto Pathway**. In its pilot year in 2019-2020, students admitted to this gateway-type program were officially USC Lancaster students, but they were housed and taught in Columbia. This is a one-year (30-hour) program after which successful students then matriculate to a four-year program/campus. The expansion will mean a doubling of the enrollment from approximately 50 students to 100 students.
- We look to expand offerings to some day class times at our **Indian Land Location** in Fall 2020. We are still coordinating with the school district on our permanent space for the Fall. Thank you to those who have agreed to offer courses at the location.
- With the encouragement of the USC College of Nursing we have begun exploration of the expansion of our **BSN degree program**. Currently we serve 24 students in the junior and 24 students in the senior cohorts. Over the next several years, we will be looking at increasing the upper division cohort numbers in accordance with state nursing board standards as well as enhancing and increasing the local support and resources needed for such an expansion. We anticipate that MUSC Health will eventually become more of a partner in this growth.
- The next **Lunch & Learn at the NASC** is March 20th at noon with a talk entitled "No Active Warrants" by Professor Chris Olszewski of the Savannah College of Art and Design.
- The 2020 **Soul Food Cook Off** was held on Tuesday, February 25. The event helps raise money for USC Lancaster's Emergency Textbook Scholarship. Approximately \$12, 500 were raised this year!
- The annual USC giving day—**Give for Garnet**—will take place on April 22. Six USCL funds will be featured in the drive that day including:
Educational Foundation of USCL General Fund

USC Lancaster Travel Study Fund
USC Lancaster Faculty and Staff Scholarship
USC Lancaster Athletics Fund
Native American Studies Center Endowment
USC Lancaster Student Food Pantry

- The **USC Lancaster theatre program** will present *Noises Off!* on April 3-5.
- The **Campus Master Plan Steering Committee** was presented a draft of the plan update on Thursday, February 6. The committee will be working with Boudreaux to finalize the plan over the next several weeks. It will be presented to the entire campus soon.
- **SAVE THE DATE:** The **Sixtieth Anniversary Celebration Gala** will be held on Thursday, April 2, 2020 in the Arnold Special Events Room. Formal invitation will be emailed soon.

- If you would like to receive copies of your students' tutoring session reports, please fill out this (very short!) form: <https://tinyurl.com/ASCInstructorRequest>
- You can view an example of the new tutoring report here: <https://docs.google.com/document/d/1pSkp48fOaa4vhi0ut4cVGO9xU7N3uAJAYToh0gpNocE/edit?usp=sharing>
- Instructors who are already on our list include: Campbell, Currence, Easley, Heinemann-Priest, D. Lawrence, P. Lawrence, Moon-Kelly, Pangburn, and Penuel.

Students can schedule tutoring appointments at the following link (please share with your students!):

<https://usclacademicsuccesscenter.setmore.com/>

A pdf copy of the current tutoring schedule can be found here:

I'm happy to share information about specific writing assignments, tests, homework, or other work with the tutors if you think it would be helpful.

As always, thanks for your support.

REMINDERS about the ASC's booking system:

- **Students can book appointments as late as ONE hour in advance.**
- The booking page allows students to book a maximum of ten days in advance (in an effort to allow as many students as possible to have access to tutoring services, and to cut down on no-shows).
- Students who do not show up for appointments TWICE (without cancelling) are not allowed to book appointments for the rest of the semester. They are still welcome to work with tutors on a drop-in basis.
- Students sign a Tutoring Client contract at their first visit for the semester. This contract outlines ASC policies and explains what we expect of the student and what the student can expect of the tutors. Students receive a copy of this contract via email.

ALL students can still work with tutors on a drop-in basis!

2/5/2020

Dear Professor D. Lawrence,

Your ENGL 102 student, Dana Lawrence completed a tutoring session with Phyllis Jarvis on Wednesday, 2/5/2020.

Dana came in at 1:00:00 PM and worked with the tutor for approximately 45 minutes.

Session Focus: Revise essay

Student's S.M.A.R.T. goals for session, established in collaboration with the tutor:

Specific: I want to improve my essay after peer review.

Measurable: I want to improve first paragraph to really describe my belief.

Attainable (NOTE: **All tutoring sessions have a maximum time frame of ONE HOUR from start to finish**): Yes

Relevant?: First paragraph needs rewriting to meet requirements.

Time Frame: Final draft is due 2/10/20. I plan to revise according to peer, professor, and tutor suggestions.

Tutor's Post Session Notes: Dana printed her essay for us to discuss. We discussed comma rules, paragraphing, use of first person singular, and personalizing her content.

As always, thank you for your support of the Academic Success Center. If you have any questions or concerns, don't hesitate to contact me at LawrenDE@email.sc.edu.

Sincerely,

Dana Lawrence

Transitioning to Major Level Advisors

I sent an email on February 28 with the names and contact information for students who were advised by a member of the First Year Advising Corp during Summer 2019. This list was organized by new major level advisor. Currently, students are receiving detailed emails that contain their current major on file and their newly assigned advisors. They will continue to receive these emails until the beginning of May. The first round was sent on March 4 at 9am. 30.5% of recipients viewed the email and 7.1% interacted. We will continue to monitor these statistics and will likely consider follow up communication such as SMS and web links.

USC Lancaster Faculty Meeting
Campus Technology Update
March 6, 2019

Highlights

- **Faculty Office Computer upgrades and Windows 10 roll out (update).** We are 90 % complete with the faculty and staff computer upgrades to Solid State Drives, increased memory and Windows 10. As of today, we have 38 remaining and anticipate completion by April 1, 2020. Antonio Mackey and Colby Jones have worked extremely hard in this roll out. There were 220 when the process started in November.
- **Bundy Auditorium lighting.** The dimming and control system for the lighting in Bundy Auditorium is in the process of being replaced, the work will be completed Wednesday, March 11, 2020. The controls were past end-of-life and were no longer stable.
- **E-Mail Multifactor.** DUO Multifactor Authentication was applied to logins of University e-mail. This now minimizes the chance of login credentials being improperly used to access the e-mail system. DUO does not prevent “spoofing” to mine for other information beyond login credentials. Please continue to be skeptical of unsolicited e-mail even if it looks “Official”. Always delete these e-mails when they are received. Never click on a hyperlink in these e-mails and provide usernames, e-mail addresses, passwords or personal information.

FOCUS: To save lives and minimize impact on academics.

1. The Emergency Notification Infrastructure

- a. Carolina Alert/ Lancer Alert
- b. LYNX (Computer Alert System)
- c. ALERTUS-Physical Siren
- d. Traditional Email
- e. Messenger alerts when time permits

Note: Overlap and redundancy are an important part of all these systems to ensure timely dissemination.

2. Emergency Management Program for Palmetto College (Mandated by Board of Trustees)

POC: Sgt Meg Cuttino, Palmetto College Emergency Management Coordinator

Calendar attached.

3. Focus on active shooter protocols

We will be having live training based on the CRASE model later during this semester. The objective is to have all Faculty and Staff attend a live session.

As a general note there are several recognized responses e.g. run-hide-fight and avoid-deny-defend. The CRASE model uses the avoid-deny-defend sequence. CRASE (Civilian Response to Active Shooter Events).

 - "Senators may serve no more than two consecutive 3-year terms and no more than 9 years in a 12 year period." This will be voted on in April or later.
 - "Section 5. By policy or at the request of university officials, the Senate may be asked to confirm faculty appointments to committees constituted by administrative offices. The Steering Committee will bring such nominations to the Senate for approval at the meeting of the Senate immediately following notification, provided that such notification occurs no less than one week in advance of the Senate meeting. Failure of the Steering Committee or the Senate to act on such nominations shall constitute approval of the appointment." This one was approved during the March meeting.
