

13TH ANNUAL SOUTHEASTERN SCHOOL BEHAVIORAL HEALTH CONFERENCE

CONFERENCE OVERVIEW

Achieving Best Practices in School Behavioral Health

The Southeastern School Behavioral Health Conference is a world-class conference focusing on behavioral health for students in school settings. This conference provides an opportunity for clinicians, educators, youth-serving agencies, and university faculty and staff to network, collaborate, and learn new strategies to improve the overall mental health and well-being of school-age children and their families.

This hybrid event brings together 1,000 attendees from 40 states, providing sponsors the opportunity to build connections and promote their organizations with like-minded professionals.

The SSBHC relies on the incredible support of our sponsors to keep costs low for our attendees and deliver an unforgettable professional development opportunity!

We hope to see you on April 15-17, 2026!
